

Please help more cancer stories to have a happy ending.

The personal cancer stories we have collected are proof that research into cancer has already led to many breakthrough cancer treatments. We now hope that they will inspire you to leave a gift in your Will. The funding that gifts in Wills provide is crucial to our work. And, as the stories tell us, we must continue our work to stop cancer devastating lives.

Please contact me and tell me more about leaving a gift to help cure cancer.

- Please contact me in person to discuss my intentions. Please send me your guide to making or amending a Will.
